## CRISTALLO

Elegance in glass and stainless steel

Let the CRISTALLO modular sign system deliver your message with crystal clear clarity. This beautiful and flexible system complements building interiors with stylish simplicity.

CRISTALLO adds a new level of sophistication to a variety of uses including directional signs, identity signs, donor recognition systems, poster displays and award holders.

CRISTALLO can also work with a variety of substrates including glass, ADA approaches, stone, wood or metal. Glass used with CRISTALLO can be etched, printed or contain paper inserts.

### MATERIALS

Stand-offs: stainless steel barrels; all barrels have length of 3/4"  
Panels: 2 pc. 3/16" thick or 1 pc. 3/8" thick for maximum panel thickness;  
2 pc. 1/8" thick or 1 pc. 1/4" thick for minimum panel thickness;  
all panels available in tempered glass / acrylic

### STAND-OFFS

cr 2980: 1/2" diameter barrel, flat head; requires one 3/8" diameter hole in panel(s)  
cr 2981: 1/2" diameter barrel, rounded head; requires one 3/8" diameter hole in panel(s)  
cr 2982: 1/2" diameter barrel, conical head; requires one 3/8" diameter hole in panel(s)  
cr 2984: 3/4" diameter barrel, flat head; requires one 3/8" diameter hole in panel(s)  
cr 2985: 1 3/8" diameter barrel, flat head; requires two 3/8" diameter holes in panel(s)

### INSERTS

Printing methods: Ink Jet, Laser, Digital Print  
Printable surfaces: paper, clear acetate, frosted polyester film

### MOUNTING

Wall mount: mechanically secured to surface of wall; hardware includes mounting screw, wall anchor, allen key and set screw

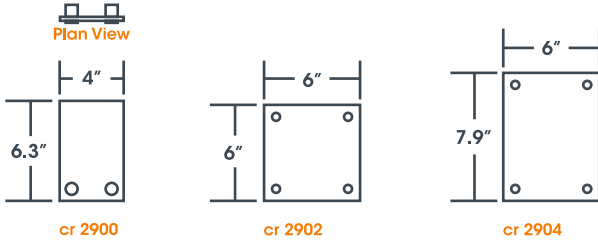

### ADD ONS

Projecting bracket: stainless steel construction; accepts 1 pc. 3/16" thick panel (tempered glass / acrylic)  
Suspension kit: stainless steel barrels, 36" length steel cable;  
accepts 2 pc. 1/8" thick panels or 1 pc. 1/4" thick panel (tempered glass / acrylic)  
Desk stand: 1" length x 5/16" diameter stainless steel barrel
