FRAME

Pure minimalism

FRAME is a display system that provides information with elegance and understatement. With its side-mounted rails in satin aluminum and thin tempered glass, FRAME lies nearly flat to any wall. Inserts printed on matte finished polyester film developed for the system can be changed easily without tools.

- MATERIALS** Frame: Silver anodised aluminum extrusion
Back plate: aluminum
Cover: 3mm/0.5" thick toughened glass panel
- INSERTS** Printing methods: Ink Jet, Laser, Digital Print
Printable surfaces: paper, clear acetate, frosted polyester film
- MOUNTING** Stud mount: mechanically secured to surface of wall
Projecting mount: mechanically secured to surface of wall
Desk stand: requires no fasteners
- NOTE** ADA options available
